Employer Networks – the story so far

- **EN pilot was launched in July 2022**
- **Expanded in 2023 to include specialist sector specific groups (HAE, CECA...)**
- **Focused on providing practical support for employers with training needs, a way of accessing funded / subsidised training without grant / funding**
- **Employers to have their say about how funding should be used in their local area**

A few words from our CEO Tim Balcon

“This is about putting employers in the driving seat to identify and address their skills challenges and how best CITB can align our funding and resources to support their skills needs.”

Employer Networks

- **Employer Network is EMPLOYER led**
- **YOU tell us what training you need to do!**
- **Covers all grant eligible courses**
- **Currently funding none grant eligible training as well!**
